## FOOTBALL AT A. &amp; M.

## FRIDAY AFTERNOON

Farmers Will Meet Austin College  
Team in Hotly Contested  
Game.

The football bill of fare for Friday, October 17, in Bryan, will include the contest between A. and M. College warriors and the tribe of Presbyterians representing the Austin College of Sherman. This game will be staged at Kyle field and will be called at 4:15 o'clock.

The Farmers are in for a fight in this contest. Austin College has a team composed of men who have played together for three years and who know the game from start to finish. They have had three games already this season and are in mid-season form while the Aggies are yet green. Moran is expecting a hard fight, but he is expecting the Farmers to deliver.

Season tickets offered at the opening of the season for \$2.50, now may be had from Manager Mayers, Capt. Beasley, or at Cox's pool hall, A. M. Waldrop's and Brandon and Lawrence store in the city, at the reduced figure of \$2.15. One game has been played, that being the contest with Trinity last week, and the tickets are good for the remaining four contests at College.

The Aggies have improved wonderfully since that game, when they beat the Waxahachie boys by the score of 7 to 0 and they are expected to play a far superior game next Friday when they meet Chester Johnson's fast black land bunch. Anyhow, it will be a game worth going a great distance to see and cars will leave at 2:30 and 4 o'clock for the game.

GUNS FOR DRILLING  
ISSUED TO CADETS

Guns were not issued to the A. and M. cadets this year until last Monday, and the Monday afternoon drill was confined to individual work with the Freshmen, teaching them the manual of arms. This afternoon there will be more company drilling, which will be set about in dead earnest so the cadets may make as good showing as possible when the Dallas Fair trip is made. The "Blue Book" containing the rules and military regulations of the school, was issued Sunday evening, and discipline, which has been relaxed somewhat until the new students could catch the system, will be rigorously enforced.

## TROUBLE AND WORRY

Rose O'Neill's pen has made Kemple famous. You can get a Kemple package for 25c and with a little needle work, you have a Christmas remembrance for a friend. No trouble, no worry, no expense.
